by laurie lenfestey

Handcrafted pieces are the heart and soul of Bittersweet Designs. Designer Laurie Lenfestey's aesthetic is light and simple, but full of rich, nostalgic details; each piece draws the eye with its remarkably subtle boldness.

The jewelry is drawn together from semi-precious stones, vintage buttons, chains and charms, prayer beads, telsums, milagros, and ethiopian crosses, making each piece free-spirited with a subdued bohemian flair. The collection tends to reflect the spirit of the wearer, helping you to abundantly express your individuality.

All items are handmade in Santa Fe, New Mexico.
